Bakersfield Mist by Stephen Sachs. Maude, a fifty-something unemployed bartender living in a trailer park, has bought a painting for a few bucks from a thrift store. Despite almost trashing it, she's now convinced it's a lost masterpiece by Jackson Pollock worth millions. But when world-class art expert Lionel Percy flies over from New York and arrives at her trailer home in Bakersfield to authenticate the painting, he has no idea what he is about to discover. Inspired by true events, this hilarious and thought-provoking comedy-drama asks vital questions about what makes art and people truly authentic. 7pm. \$42.

PRESERVED @ Liberty Theatre

New Release. Rated PG. Preserved unveils Vermejo—a 558,000-acre living laboratory where rarely seen wildlife behaviors unfold: bears stealing mountain lion kills, microscopic life thriving in seasonal potholes, and animals adapting to a rapidly changing world. In this feature-length documentary, scientists, ranchers, and conservationists reveal how the seemingly impossible has been achieved here, from North America's largest native trout restoration to the return of beaver, elk, and bison. Rich in discovery and layered with human history, Vermejo stands as the pinnacle of conservation in the U.S.—and a bellwether for what's possible elsewhere. 7pm. Doors and Caldwell's Liberty Bar open 60 min before showtime. <https://www.pagosamovies.com/>
